

ESAB FR Welding Jersey

FR Clothing Range form ESAB

The new ESAB FR Black Flame retardant, anti static, welders Jersey is designed entirely with the welders comfort in mind.

In a warm environment this garment can be worn as the outer layer whilst in a colder environment it should be used as a second layer under a coverall or jacket.

The technical material is very soft, making it very comfortable to wear. The stand up, zipped collar will protect that "easy to burn neck area.

Fully conforms to EN ISO11612 FR, ISO11611 Welding, EN1149-5 Anti Static.

- Phoenix FR inherently flame retardant fabric
- Light weight knitted fabric for added comfort
- Light weight breathable high performance fabric
- Brass 8" zip with contrasting yellow over black
