

G30 & G30 Air

A flip front welding and grinding helmet

The G30 is a unique design in flip front welding and grinding helmets. The visor provides effective protection from UV and IR radiation when the visor is both open and closed, and is available in different shade levels. The helmet is equipped with a strong and comfortable head gear.

- Changeable inner and outer lens
- Lightweight shell
- Large inner grinding visor
- Comfort headgear
- Respiratory option with ESAB PAPR
